Dear Sir,

We have reviewed the accompanying statement of unaudited financial results of your Company for the quarter ended 30-06-2013. The statement is the responsibility of the Company's Management.

A review of the interim financial information consists principally of applying analytical procedures of financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with generally accepted accounting standards, the objective of which is the expression of an opinion regarding the financial statement taken as a whole. Accordingly, we do not express such an opinion.

Based on our review conducted as above, nothing has come to our notice that cause us to believe that the accompanying statement of unaudited financial results has not disclose the information required to be disclosed in terms of clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material mis-statement.

Thanking you,

Yours faithfully,  
For Agrawal Singhania & Co.
